Mr. Amory (Continued):

25X1 b. Referred to a discussion in a recent Deputies' Meeting, at which time the Director approved the recommendation that a CIA representative, [] sit with the U.S. Delegation during the Korean political conference, and stated the time had come to designate this individual. The Director noted this could be arranged through [] and asked DD/I to furnish him (DCI) his nomination for this duty. 25X1

Colonel White:

a. Referred to the article in the WASHINGTON POST of 11 October 1953, which indicated that "several Hush Hush Agencies" were advertising for personnel and stated that, while we did do this in the case of low grade clerical personnel, we were also in direct contact with all of the governmental agencies now in process of reducing personnel.

Mr. Kirkpatrick:

a. Noted that Congressman Judd was in Washington temporarily before departing on his trip, and at the Director's request undertook to arrange to have him come in and see Mr. Dulles.

b. Reported that a staff member (Morris) of the Jenner Committee had requested permission to furnish a complete copy of the [] testimony to the Department of Justice. The Director approved, but stated it should be made clear to the Committee that (1) this testimony contained sensitive CIA information, (2) the Committee would furnish this testimony direct to Justice and not through CIA. 25X1

c. Reported that the Joint Congressional Committee on Atomic Energy had requested that CIA inspect the rooms in which its hearings were conducted for "devices" and stated they had been advised that such action was outside our responsibility. The Director approved.

d. Suggested that he prepare for the Director's signature a letter to Marquis Childs respecting his column of last week in which he indicated CIA was concerning itself with U.S. public opinion toward the present administration. The Director approved and noted he had seen Childs at a dinner recently and at that time Childs had apologized, indicating his statement was based on misinformation.
